

State Agency Model Integrated Waste Management Plan

**Part III: State Agency Waste Reduction and Recycling Program Worksheet**

Section 1: Program Activities

Section 1:				2000	2001		2002		2003		2004		2005		2006	
Program Activities		B	B	Projected	Proposed	Actual	Proposed	Actual	Proposed	Actual	Proposed	Actual	Proposed	Actual	Proposed	Actual
B1*		2*	3*	Tonnage	Tonnage	Tonnage	Tonnage	Tonnage	Tonnage	Tonnage	Tonnage	Tonnage	Tonnage	Tonnage	Tonnage	Tonnage
1	Source Reduction															
2	Use of Reusable Cups															
3	Use of Electronic Forms															
4	Use of Electronic Media															
5	Double-Sided Copies															
6	Utilize Property Reutilization															
7	Utilize CalMAX															
8	Utilize a Food Exchange															
9	Salvage Yards															
10	Xeriscaping/Grass-cycling															
11	Other Source Reduction Programs															
12																
13																
14																
15	Recycling															
16	Beverage Containers															
17	Cardboard															
18	Glass															
19	Newspaper															
20	Office Paper															
21	Plastics															
22	Scrap Metal															
23	Other Materials															
24																
25																
26																
27	Other Recycling Programs															
28	Special Collection Programs															

\*B1: Add existing programs or those proposed for implementation, if not listed. B2: Insert "X" if program exists. B3: Insert "X" if program is proposed for implementation.
